

Important Scholarship Announcement for NFSU Tripura Students

(National Scholarship Portal – <https://scholarships.gov.in/>)

All students of NFSU Tripura Campus who are eligible for renewal or fresh scholarship applications under the Institution Code: C-70716 are required to visit the official website of the National Scholarship Portal (NSP) for the available schemes:

👉 <https://scholarships.gov.in/All-Scholarships>

Important Instructions

Visit the website and check your state-specific scholarship schemes.

All scholarships are processed only through the National Scholarship Portal (NSP). Visit <https://scholarships.gov.in/> regularly for updates.

Institution AISHE Code: C-70716 — Students must apply under this code **only** to prevent any fraudulent activities.

Submit **original and valid income certificates** (issued by SDM/DCM, not older than six months) and other required documents.

All students must submit **hard copies** of the documents uploaded on the NSP portal to the **Admin Office, NFSU Tripura Campus** after applying.

Tampering of documents (e.g., income certificate, mark sheet, etc.) will lead to **legal action** and **permanent disqualification** from future scholarships.

Contact Details for Queries:

Dr. Jyoti Roy Choudhuri

Assistant Professor, NFSU Tripura Campus

✉ Email: jyoti.choudhuri@nfsu.ac.in

Mr. Atanu Das

Campus Coordinator, NFSU Tripura Campus

✉ Email: coordinator_tripura@nfsu.ac.in

✦ *If the institute verification deadline is approaching, students must immediately contact the above officials for timely verification at the institution level.*

Important Note

- NFSU Tripura Campus shall **not be responsible** for:
- Non-verification at the Institution, District, State, or Ministry level.
- Non-receipt of scholarship funds due to **Aadhaar, OTR, or bank-related issues**.
- Any rejection or delay at these stages will **not be the responsibility of the institution**. Students are therefore advised to complete their applications carefully and accurately to avoid complications.
