NATIONAL FORENSIC SCIENCES UNIVERSITY

The University is committed to promote excellence in the forensic science education and research by collaborating with disciplines such as applied behavioural science, Law, management, pharmacy, and criminology. The focus is on innovative experimentation, technology development, and management techniques related to crime prevention, detection, and investigation.

NFSU aims to provide training, research, and extension services in forensic science and applied sciences to the various stakeholders across the globe. University is uniquely positioned to enhance the national and global outreach by providing exceptional academic, research, training, and consultancy services in forensic and allied sciences.

Being an Institute of National Importance, NFSU accommodates students from different diasporas without any discrimination and creates a diverse, skilled workforce for criminal investigation Justice. NFSU aims to produce well-trained graduates who can succeed in various criminal justice careers and promote justice for all.

SCHOOL OF PHARMACY

School of Pharmacy at National Forensic Sciences University, Gandhinagar campus, deals with the non-conventional arena of forensic science. School offers high-demand academic programmes such as M. Pharm Forensic Pharmacy, M.Sc. Forensic Analytical Chemistry, M.Sc. Environmental Forensic, M. Pharm Pharmaceutical Quality Assurance and M.Sc. Pharmaceutical Chemistry. The school has well-qualified faculty members with a good academic and research record. State-of-the-art laboratories are facilitated along with cutting-edge modern equipment, which play a pivotal role in providing practical knowledge to the students. The students are actively engaged in different projects under the expert guidance of our highly trained and skilled faculty members. The academic programs offered at the School of Pharmacy are facilitating the forensic science to fulfil the shortage of experts in these domains.

ABOUT CONFERENCE

The School of Pharmacy organizes two days International Conference on the theme entitled "Emerging Trends in Pharmaceutical Sciences with Forensic Perspectives" from 5 - 6 February 2026 (ETPS-FP-2026). The main objective of this conference is to provide a common platform to share the current knowledge, recent updates and discuss the interventions in the forensic investigations from the professionals working in the field of pharmaceutical and allied sciences. This conference will provide a platform for the discussion of the new challenges in forensic world with Forensic Pharmacy, Forensic Analytical Chemistry, Forensic Nanotechnology, Environmental Forensics, Food Forensics, Nano biotechnology, regulatory requirements, analytical techniques and procedures. The conference will also cover the latest updates from the pipelines of small and large drug developers, and feature discussions around the latest trends in precision medicine through case studies from early discovery to development. This conference will be beneficial for students / scholars/ faculty members from the pharmacy and allied sciences field to rethink in their respective areas for generating/inventing ideas to develop novel methods/ tools for the investigations in forensic sciences. It will also provide a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Forensic Pharmacy.

ORGANIZING COMMITTEE

CHIEF PATRON

Padamshree Dr. J.M. Vyas
Hon'ble Vice-Chancellor
National Forensic Sciences University

PATRON (S)

Prof. (Dr.) S.O. Junare
Campus Director, Gujarat (HQ)
National Forensic Sciences University

Shri C. D. Jadeja
Executive Registrar
National Forensic Sciences University

CONVENER

Dr. Bhoomika M. Patel
Dean (I/c), School of Pharmacy,
National Forensic Sciences University
Gandhinagar

CO-CONVENER

Dr. Rakesh Yadav
Associate Professor, School of Pharmacy
National Forensic Sciences University
Gandhinagar

ORGANIZING SECRETARIES

Dr. Harshad Patel
Associate Dean, School of Pharmacy,
National Forensic Sciences University
Gandhinagar

Dr. Jasmin Kubavat
Associate Professor, School of Pharmacy
National Forensic Sciences University
Gandhinagar

ORGANIZING COMMITTEE MEMBERS

Dr. Hemen Dave
Dr. Bhupender Kumar
Dr. Nishita Kumari
Mr. Vijay Kevlani

Dr. Mahesh Vasava
Dr. Shalini Gupta
Dr. Ramesh Santa

REGISTRATION

Category	Early Bird Registration 31 December 2025	Late Registration 15 January 2026	Spot Registration
UG/PG Students	1000/-	1250/-	1500/-
Research Scholar	1000/-	1250/-	2000/-
Faculty/Scientists	1500/-	1750/-	2250/-
Industry/NGO	2000/-	2500/-	2500/-

Fee includes registration kit, lunch, and refreshments.

SCOPE OF CONFERENCE

- AI in Pharmaceutical Industry
- Analytical Tools
- Counterfeits Drugs
- Drug Discovery and Development
- Environmental Forensics
- Forensic Chemistry
- Forensic Biology
- Nano-Drug Delivery System
- Narcotics Drugs and Psychotropic Substances
- Pharmacology and Toxicology

CALL FOR POSTER / ORAL PRESENTATION

Abstracts of original research/reviews are invited for presentations at the International Conference ETPS-FP-2026.

Abstract should be in English, limited to 250 words, and formatted as per the template: Title (capitalized and bold), Author(s) (bold, presenting author underlined), Affiliation, corresponding author's email, Font (Times New Roman), Size-12, Spacing-1.5, Keywords (italicized, bold, maximum 5).

The received abstracts will be evaluated by the scientific committee, and acceptance will be communicated by 20th December 2025 on registered email ID (for oral/poster presentation).

Key Dates:

Last Date for Abstract Submission	: 15 December 2025
Acceptance of Abstract	: 20 December 2025
Early Bird Registration	: 31 December 2025
Late Registration	: 15 January 2026

Account Details

Account Name- National Forensic Sciences University
