**National Forensic
Sciences University**
Knowledge | Wisdom | Fulfilment
An Institution of National Importance
(Ministry of Home Affairs, Government of India)

ABOUT PROGRAM

Three-Days Research and Skill Development Programme (RSDP) on "AI in Cyber Security and Forensic Science" aims to equip faculty members, researchers, and professionals with knowledge and insights into the transformative role of Artificial Intelligence (AI) in cyber security and forensic science.

OBJECTIVES

- To introduce participants to fundamentals of AI and its application in forensic science.
- To explore practical case studies and tools used in AI-driven forensic investigations.
- To discuss ethical considerations and challenges in integrating AI into forensic practices.
- To facilitate networking and knowledge-sharing among faculty and professionals.
