# ABOUT ORGANIZERS

## National Forensic Sciences University

National Forensic Sciences University (NFSU), erstwhile Gujarat Forensic Sciences University, was established by the Hon'ble Prime Minister of India, Shri. Narendra Modiji, in 2009, with the sole objective of creating professional experts in the field of forensic sciences. Since its inception, the University has been scaling new heights with its extraordinary and exemplary performances in the field of academics and Forensic Sciences. Based on the impressive successes achieved by this university within a short span of eleven years, the Government of India has recognized its services and has accorded the status of Institution of National Importance in October 2020 through Act 2020 (32 of 2020).

Gandhinagar Campus is the first campus of the National Forensic Sciences University at Sector- 9, Gandhinagar, Gujarat, and currently serves as the headquarters of the university. Apart from the Gandhinagar campus, there are Six more campuses all over India, One campus outside the country, and Three academies, which include Delhi, Tripura, Goa, Bhopal, Dharwad, Pune, Manipur, Guwahati, and Uganda in South Africa. The National Forensic Sciences University is running Twelve schools, namely, the School of Doctoral Studies and Research, School of Forensic Science, School of Cyber Security and Digital Forensics, School of Management Studies, School of Engineering and Technology, School of Pharmacy, School of Behavioral Sciences, School of Forensic Psychology, School of Medico-Legal Studies, School of Police Science and Security Studies, School of Law, Forensic Justice and Policy Studies and the School of Open Learning. Maintaining excellence in education, research, and training with appropriate facilities within this campus encourage collaborations across multiple disciplines and skill sets. The Gandhinagar Campus, an Ultramodern Campus, is constructed near the DFS premises on a government-allocated land of 50,000 square meters.

## School of Pharmacy, NFSU

School of Pharmacy, established under the National Forensic Sciences University at Gandhinagar campus, deals with the non- conventional arena of Forensic Science. The school offers high-demand academic programmes such as, M.Pharm Forensic Pharmacy, M.Sc. Forensic Analytical Chemistry, Environmental Forensic, PQA, M.Sc. Pharmaceutical Chemistry etc. The school has an excellent team of faculty members with a tremendous academic and research record. The school is well equipped with state-of-the-art laboratory facilities along with cutting-edge modern instruments, which play a pivotal role in providing practical knowledge to the students, in addition to the theoretical knowledge imparted to them by our faculties. The students are actively engaged in different projects under the expert guidance of our highly trained and skilled faculty members. M.Pharm. Forensic Pharmacy and M.Sc. Environmental Sciences programmes are also extended at Dharwad campus.

The jurisprudence and investigative sciences with the new scope of forensics are imperative to the social and economic aspects, with huge storage of expertise. The academic programs offered at the School of Pharmacy are at developing expertise in allied sciences with an emphasis on forensic specialization to fulfill the shortage of experts in these domains.

## Indian Pharmaceutical Association (IPA) - Gujarat State Branch

Indian Pharmaceutical Association - Gujarat State Branch (IPA-GSB), is the state branch of the Indian Pharmaceutical Association (IPA) - the national body representing over 1 million pharmacists and pharmaceutical scientists across various sectors, including industry, academia, regulatory bodies, hospital, and community pharmacy. IPA is a non-governmental organization and a member of the Drug Technical Advisory Board (DTAB) under the Ministry of Health and Family Welfare, Government of India and has official collaborations with the International Pharmaceutical Federation (FIP) and the World Health Organization (WHO). IPA's Gujarat State Branch (IPA-GSB) has its Headquarter at L. M. College of Pharmacy, Navrangpura, Ahmedabad - 380009. IPA-GSB is actively working on the development of the pharmacy profession by promoting best practices and encouraging scientific innovations, through its Continuous Pharmacy Education (CPE) initiative and its robust network in pharmaceutical ecosystem of Gujarat.

## Indian Drug Manufacturers' Association (IDMA) - Gujarat State Branch

Established in 1961, the Indian Drug Manufacturers' Association (IDMA) is the leading industry association representing over 1,000 pharmaceutical companies in India. IDMA collaborates closely with the Government of India on key issues such as pricing, regulatory affairs, and policy development, ensuring the industry remains informed and proactive. As the apex body for pharmaceutical and Active Pharmaceutical Ingredient (API) manufacturers, IDMA is known as the Voice of the National Sector. It operates through eight State Boards across various regions, promoting self-sufficiency in affordable quality medicines domestically and globally. It has nearly 1100 members, including 370 members of the Gujarat Board. IDMA and IDMA-GSB are also responsible for hosting various technical seminars, conferences, and training programs.

## About the Conference

The School of Pharmacy organizes two days International Conference on the theme entitled "Emerging Trends in Pharmaceutical Sciences with Forensic Perspectives" from 6-7 February 2025 (ETPS-FP-2025).

The main objective of this conference is to provide a common platform to share the current knowledge, recent updates and discuss the interventions in the forensic investigations from the professionals working in the field of pharmaceutical and allied sciences.

This conference will provide a platform for the discussion of the new challenges in forensic world with Forensic Pharmacy, Forensic Analytical Chemistry, Forensic Nanotechnology, Environmental Forensics, Food Forensics, Nano biotechnology, regulatory requirements, analytical techniques and procedures. The conference will also cover the latest updates from the pipelines of small and large drug developers, and feature discussions around the latest trends in precision medicine through case studies from early discovery to development. This conference will be beneficial for students / scholars/ faculty members from the pharmacy and allied sciences field to rethink in their respective areas for generating/inventing ideas to develop novel methods/ tools for the investigations in forensic sciences. It will also provide a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Forensic Pharmacy.

## PATRON (S)

Prof. (Dr.) S.O. Junare, Campus Director,  
National Forensic Sciences University, Gandhinagar

Shri. C. D. Jadeja, Executive Registrar,  
National Forensic Sciences University, Gandhinagar

## CONVENER

Prof. Manjunath Ghate  
Dean, School of Pharmacy, NFSU, Gandhinagar

## CO-CONVENER

Dr. Bhoomika Patel  
Associate Dean, School of Pharmacy, NFSU, Gandhinagar

## ORGANIZING SECRETARY

Dr. Rakesh Yadav  
Associate Professor, School of Pharmacy, NFSU, Gandhinagar

## ORGANIZING COMMITTEE MEMBERS

Dr. Prajesh Prajapati	Dr. Jasmin Kubavat
Dr. Hemen Dave	Dr. Mahesh Vasava
Dr. Bhupender Kumar	Dr. Ramesh Santa
Dr. Nishita Kumari	Dr. Shalini Gupta
Mr. Vijay Kevlani	

## EMINENT SPEAKERS

- Dr. Mukul Jain, Vice-President, Zydus Research Centre, Ahmedabad
- Prof. Vassilios Papadopoulos, Dean, USC Mann School, John Stauffer Dean's Chair in Pharmaceutical Sciences & Professor of Pharmacology and Pharmaceutical Sciences, University of Southern California
- Prof. Dulal Panda, Director, NIPER, Mohali, Punjab
- Dr. Sukhinder Cheema, Professor, Memorial University, Canada
- Dr. Ajay Sharma, Director, FSL, Jaipur
- Dr. Sanjib Bhattacharya, Associate Professor, Nirma University, Ahmedabad
- Prof. P.R. Vavia, Professor, ICT, Mumbai
- Prof. Dinesh Kumar, Associate Professor, Central University of Gujarat, Gujarat
- Dr. Ravi Shah, Associate Professor, NIPER, Ahmedabad
- Dr. Rakesh Rawal, Head & Professor of the Department of Medical Biotechnology, Gujarat Biotechnology University (GBU)
- Dr. Mahendra Rao, Adjunct Faculty, Manipal Academy of Higher Education (MAHE)
- Dr. Jaimin Vasa, Chairman & MD, Vasa Pharmachem
- Dr. Mahesh Chhabria, Professor, L. M College of Pharmacy (LMCP)
- Prof. N R Seth, Former Vice Chancellor, Gujarat Technological University (GTU)

Category	Early Bird Registration (Till 31st Dec. 2024)	Late Registration (Till 25th Jan. 2025)	Spot Registration
