

PRESENTS

WILDLIFE FORENSICS WORKSHOP

NATIONAL FORENSIC SCIENCES UNIVERSITY,
GOA CAMPUS

KEY TAKEAWAYS

- Certification: Receive a Workshop Certificate from National Forensic Sciences University (NFSU).
- Networking: Exclusive opportunities to connect with enforcement officials, veterinarians, and conservation experts.
- Expert Mentorship: Learn directly from domain experts and field practitioners in wildlife crime investigation.
- Lab Visits: Guided tours of the Centre for Wildlife Forensics to explore state-of-the-art tools in wildlife genetics and biology.

About the Workshop

This workshop provides foundational knowledge and hands-on experience in wildlife forensic science, bridging the gap between field investigation and laboratory analysis. Beyond core crime scene procedures such as evidence identification, collection, and preservation the curriculum expands to cover the wider ecosystem of wildlife protection. We will explore the critical role of veterinarians in ethical forensic pathology and post-mortem analysis, as well as the power of NGOs and community networks in rescue operations and ground-level intelligence. By integrating digital forensics, veterinary ethics, and grassroots activism, this program aims to build a unified, multidisciplinary front against wildlife crime

WHO CAN ATTEND

- Academicians
- Researchers
- Students
- Professionals
- Law Enforcers

PROGRAM HIGHLIGHTS

- Expert Sessions : In-depth talks by experts in the field.
- Crime Scene Demo : Live demonstration of a simulated wildlife crime scene investigation.
- Poster Presentation: Showcase your research and ideas.
- Various Competition: Short video(reel) making , Wildlife Photography Story Writing.

ORGANISING COMMITTEE

- Chief Patron** - Dr. J M. Vyas, Honble' Vice Chancellor, NFSU
- Patron** - Dr. Naveen Chaudhary, Campus Director, NFSU Goa Campus
- Convener** - Dr. Lokesh Chauhan, Dean Academics, NFSU Goa Campus
- Coordinators**- Dr. Sweta Nidhi, Assistant Professor NFSU Goa Campus
Dr. Inderbhan Singh, Assistant Professor NFSU Goa Campus

KEY SPEAKERS

Dr. Malay Shukla

Assistant Professor
National Forensic Sciences
University, Gandhinagar

Shri Paresh Porob

Assistant Conservator of Forest
Zoo Manager, Bondla Zoo
Goa Forest Department

Dr. Loveleen M. Vaz

Veterinary Officer,
Veterinary Hospital, Mapusa
Dept. of AHVS, Govt of Goa

Mr. Ronil Gosavi

Wildlife Conservation Activist
Project Coordinator
Centre for Wildlife Studies

Mr. Stephen J. Dias

Wildlife Biologist
Fellow in Applied Ecology
Edinburgh Napier University
