A HANDS ON TRAINING COURSE ON

PSYCHOLOGICAL INVESTIGATION OF CRIMINALS

at

NATIONAL FORENSIC SCIENCES UNIVERSITY
DELHI CAMPUS

1st to 3rd April, 2024 10:00 am Onwards

ABOUT THE COURSE

Psychological Assessment are tools that can be used to evaluate the person's behavior, personality and his overall psyche which can help to identify the deceptive person and to exclude the innocent person from the list of the suspects. Through these we can verify the veracity of the statements of the accused, suspects, witnesses and complainants subjects. These are beneficial and free from technical errors and broadens the range of possible interpretations from a fixed technical pattern.
