NEWSLETTER

ABOUT NFSU-NAGPUR

The National Forensic Sciences University, Nagpur is a significant and rapidly developing center for forensic and allied sciences education in Maharashtra, established to bridge the gap between law enforcement and scientific investigation in the region. The NFSU Nagpur is a pivotal strategic expansion of the National Forensic Sciences University (NFSU), an institution established by an Act of Parliament as the world's first and only University dedicated exclusively to forensic and allied sciences, operating under the Ministry of Home Affairs, Government of India. The campus is designed to be the definitive Regional Centre of Excellence in Central India, directly fulfilling a national mandate to integrate scientific investigation into the criminal justice system. Its core philosophy, "Education through Investigation" The campus is a strategic asset for implementing the new mandate requiring mandatory forensic investigation in offenses punishable by seven years or more. The campus is currently operating from its transitional facility at I.T. Park, S. Ambazari Raod, Near BSNL Exchange, Subhashnagar, Nagpur. A state-of- the-art permanent campus featuring advanced laboratories, research facilities, and training infrastructure are under construction in 50 Acres of Land at Chicholi Village, Tahasil-Kamptee, which is around 15 Kms from Nagpur City.

Celebration of 79th Independence Day

Honouring the Past, Celebrating the Present, and Shaping the Future. NFSU Nagpur Campus celebrated 79th Independence Day in the presence of students and staff at its campus with a Heartful of patriotism and Spirit of Unity.

Happy 79th Independence Day!

NFSU Nagpur campus had the honour of welcoming the Inspector General of ITBF, Mr. Atul Fulzule on 29th Aug 2025. During his visit he has interacted with our students of M.Sc. Forensic Science and Cyber Security.

The session was truly insightful as he has shared his valuable inputs on importance of forensic science and cyber security in solving crime on borders using Drone Forensics and other Trans-border crimes like Drug and Firearms trafficking etc. He also emphasized the importance of discipline, dedication and service to the Nation and motivated our students to pursue their goals with courage and determination.

NFSU Nagpur celebrates the
colours of culture and many
traditions!

STUDENT CULTURAL EVENT

2025

NFSU Foundation Day

To commemorate the Foundation of National Forensic Sciences University (NFSU) Nagpur campus of NFSU under the able guidance and support of the Campus Director Prof. Dr. S. O. Junare celebrated the journey, achievements, and unwavering commitment of the NFSU to excellence in forensic science, national security, and criminal justice education.

Since its inception, NFSU has stood as a beacon of innovation and integrity, empowering students, researchers, and professionals to contribute meaningfully to the safety and security of our nation. With a unique mandate and global vision, the University continues to set benchmarks in forensic education, scientific research, and technological advancement.

On this day, we honored the visionaries, faculty, students, staff, and all stakeholders whose dedication has shaped NFSU into a premier institution. May this day have inspired us to continue striving for academic brilliance, ethical practice, and impactful contributions to society.

Celebrating 150th Glorious Years of “Vande Mataram”

NFSU Nagpur Campus proudly joined the Government of India’s initiative to celebrate 150th Glorious Years of “Vande Mataram” through a collective rendition of the National Song by faculty, staff, and students—honoring the spirit of patriotism, unity, and national pride.

Academic Visit to the State C.I.D. Nagpur

The M.Sc. Forensic Science students of NFSU Nagpur undertook an academic visit to the State C.I.D. Regional Headquarter on 14th November, 2025. Students attended expert-led sessions covering key forensic domains, including fingerprint examination, document analysis, and fingerprint photography. They engaged in practical demonstrations by C.I.D. officers, learning fingerprint concepts, AMBIS and MESA software operations, real case applications, questioned document analysis, and techniques for capturing and documenting chance prints. The session proved highly insightful and inspiring.

NFSU Nagpur campus organised two-day hands-on training for the students of M.Sc. Forensic Science and Cybersecurity to the Regional Forensic Science Laboratory (RFSL), Nagpur on 17th and 18th November, 2025. The visit provided immersive exposure to diverse forensic domains and cutting-edge investigative techniques.

The visit included Forensic Biology, DNA Division, Forensic Toxicology, General Analytical & Instrumentation (Narcotics & Explosives), Prohibition & Excise, Forensic Ballistics, Cyber Forensics, and TASI (Tape Authentication & Speaker Identification) divisions.

Two-days hands-on training of NFSU Nagpur students at RFSL, Nagpur

Constitution Day Celebration

NFSU Nagpur Campus proudly celebrated Constitution Day today, 26th November 2025, honoring the adoption of our Constitution, the supreme law that upholds the rights, duties, and democratic values of every citizen.

The students, faculties, officials and staff are gathered to honor our Constitution, uphold the principles of responsible citizenship, and reinforce our unwavering commitment to justice, liberty, equality, and fraternity.

Expert Session

NFSU Nagpur Campus hosted an engaging expert session with Shri S. C. Dwivedi, Director, Forensic Science Laboratory, Raipur, for the students of M.Sc. Forensic Science and M.Sc. Cybersecurity on 20th November, 2025. Shri S.C. Dwivedi shared his professional journey, offering valuable insights into the evolving fields of forensic science and cybersecurity.

He delivered an inspiring and insightful talk, sharing his distinguished career journey and shedding light on the rapidly advancing domains of forensic sciences and cybersecurity.

The session helped students gain confidence about their future paths and encouraged them to learn and grow in the field of forensic science and cybersecurity.

Two-Days Academic visit at Government Medical College & Hospital, Nagpur

NFSU Nagpur Campus organized a Two-days academic visit on Forensic Biology (Anthropology and Odontology) at Government Medical College & Hospital, Nagpur for M.Sc. Forensic Science Student on 23rd - 24th December, 2025. The academic visit included hands-on practical training in anthropometric analysis of living & skeletal remains, Estimation of human age, sex, race, and stature estimation from long bones, along with dental examination, DNA extraction from teeth, and applications in mass disaster victim identification, providing in-depth practical exposure to forensic human identification techniques.

Vidarbha Science Festival, Nagpur

सायबर व फॉरेंसिक विज्ञानावाबत जनजागृती

EXCLUSIVE
COVERAGE

11 Jan 2026 13:06:43

नागपूर,

National Forensic Sciences University, विश्वान भारती विदर्भ प्रदेश मंडळाच्या वतीने आयोजित विदर्भ विज्ञान उत्सवात नॅशनल फॉरेंसिक सायन्सेस युनिव्हर्सिटी (एनएफएसयू), नागपूर कॅम्पसने प्रभावी व सक्षमपणे सहभाग नोंदवला. दिनांक ९ व १० जानेवारी रोजी चार पडलेल्या या विज्ञान उत्सवात फॉरेंसिक सायन्स, सायबर सुरक्षा आणि डिजिटल फॉरेंसिक्स क्षेत्रातील प्रात्यक्षिकांमुळे एनएफएसयूचे दाखन विद्यार्थी अकर्षण ठरले.

एनएफएसयू नागपूर **National Forensic Sciences University**, कॅम्पसचे निदेशक प्रा. डॉ. ए. एस. ओ. जुनारे यांच्या अध्यक्षतेखाली प्राध्यापक व विद्यार्थ्यांनी अनुकरणात्मक गुन्हेस्थळ, फॉरेंसिक फील्ड किटद्वारे प्राथमिक तपास चाचण्या तसेच सायबर सुरक्षा व डिजिटल फॉरेंसिक्सची प्रत्यक्ष माहिती देणारे सादरीकरण केले. या माध्यमातून तपास प्रक्रियेतील वैज्ञानिक पद्धती, पुराव्यांचे संकलन व विश्लेषण याविषयी उपस्थितांना सविस्तर माहिती मिळाली. विदर्भातील विविध जिल्ह्यांतून आलेले विद्यार्थी, पालक व शिक्षकांनी या सादरीकरणाला मोठा प्रतिसाद दिला. "फोपकायातून शिक्षण" या एनएफएसयूच्या लक्ष्यज्ञानाचा प्रत्यक्ष अनुभव या प्रदर्शनातून मिळाल्याची भावना उपस्थितांनी व्यक्त केली. फॉरेंसिक सायन्स आणि सायबर सुरक्षा या आधुनिक व करिअरदृष्ट्या महत्वाच्या शाखांबाबत विद्यार्थ्यांमध्ये उत्सुकता निर्माण झाली.

नॅशनल फॉरेंसिक **National Forensic Sciences University**, सायन्सेस युनिव्हर्सिटी ही संसदेच्या अधिनियमाद्वारे स्थापन झालेली, जगातील पहिली व एकमेव फॉरेंसिक व संसद् विज्ञानासाठी समर्पित विद्यापीठ असून ती केंद्रीय गृह मंत्रालयाच्या अधिपत्याखाली कार्यरत आहे. एनएफएसयूचा नागपूर कॅम्पस सध्या अंबादारी रोडवरील आय.टी. पार्क, सुभाषनगर येथे तात्पुरत्या स्वरूपात सुरू आहे. दरम्यान, कामठी तहसीलमधील विचोली गावात ५० एकर क्षेत्रावर अत्याधुनिक प्रयोगशाळा, संशोधन व प्रशिक्षण सुविधांनी युक्त भव्य स्थायी कॅम्पस उभारण्याचे काम प्रगतीपथावर असून, हा कॅम्पस मध्य भारतातील फॉरेंसिक विज्ञानाचे उत्कृष्टता केंद्र ठरेल. असा विश्वास प्रवासवाने व्यक्त केला आहे. विदर्भ विज्ञान उत्सवातील एनएफएसयू नागपूर कॅम्पसचा सहभाग वैज्ञानिक तपास पद्धतीबाबत जनजागृती वाढवणारा ठरल्याचे आघोषकांनी नमूद केले.

NFSU Nagpur Campus captivated visitors at the Vidarbha Science Festival organised by Vigyan Bharti, with live demonstrations in forensic science, cyber security, and digital forensics on 9th - 10th January, 2026. Attracting over 1000+ students and visitors, from young learners to elders, the pavilion provided valuable insights into forensic science, cyber security, and digital investigations through engaging demonstrations. Students presented simulated crime scenes, preliminary investigation tests using forensic field kits, as well as practical information on cyber security and digital forensics. Through this, the attendees received detailed information about scientific methods used in the investigation process, including the collection and analysis of evidence. Students, parents, and teachers from various districts of Vidarbha gave a great response to this presentation.

The National Forensic Sciences University (NFSU), Nagpur campus, successfully organised a hands on training programme on DNA Extraction and DNA Quantification for M.Sc. Forensic Science students on 16th January, 2026. The training was designed to strengthen student's understanding of molecular biology techniques with a strong emphasis on hands-on learning and laboratory-based applications.

The training session provided participants with practical exposure to automated nucleic acid isolation platforms, ensuring high-yield and contamination-free DNA recovery from forensic samples. Special focus was given to quantitative real-time polymerase chain reaction (qPCR) for precise DNA quantification, degradation assessment, and inhibition analysis—critical steps in forensic DNA profiling workflows. Additionally, a live demonstration of Trio kit highlighted their application in kinship analysis and forensic identification, particularly in complex casework involving limited or compromised samples.

Training Programme on DNA Extraction and DNA Quantification

In addition, the training covered DNA quantification techniques, where students were introduced to various methods used to measure DNA concentration and quality. Through live demonstrations and guided practice, students learned how to operate laboratory instruments, interpret results, and understand the importance of accurate DNA quantification in forensic analysis, research, and applications.

The interactive nature of the training allowed students to clarify doubts, engage in discussions, and gain real-time experience with laboratory equipment and reagents. Overall, the programme enhanced technical competency, bridged the gap between theory and practice, and contributed to skill development in the field of forensic DNA analysis.

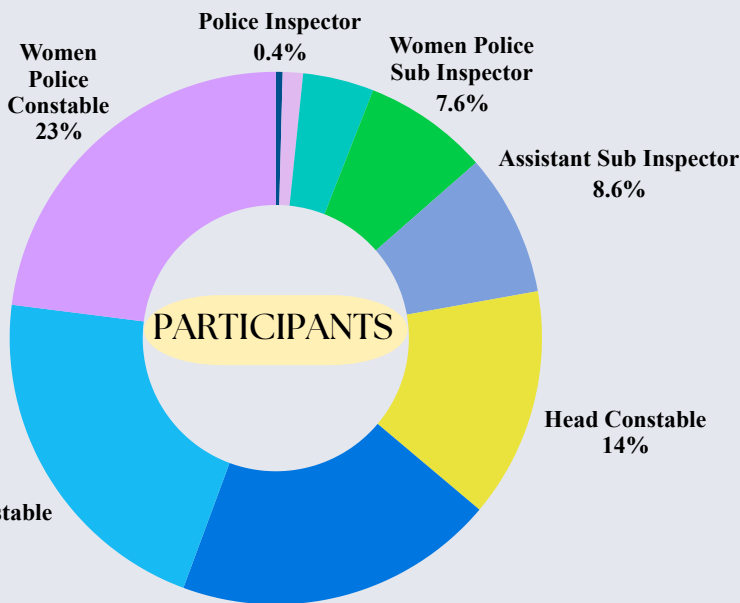

Day 1 (Inaugural Day): NFSU Nagpur commenced the two-day (January 22nd to 23rd, 2026) Awareness and Capacity Building Programme on Crime Scene Management under the New Criminal Laws for Police personnel, including PI, APIs, PSIs, Head Constables, and other law enforcement officials. The programme was inaugurated by Nagpur DCP Shri Nityanand Jha, (IPS) who addressed importance of forensic evidence in conviction. The programme witnessed the participation of total 56 police officers. The inaugural day featured expert sessions on fundamentals of crime scene management, advanced evidence handling and forensic investigation, crime scene photography and videography, and scientific methods for the collection of physical evidence from crime scenes.

Day 2 (23rd January, 2026): NFSU Nagpur continued the two-day Awareness and Capacity Building Programme on “Crime Scene Management under the New Criminal Laws” for police personnel, including PIs, APIs, PSIs, Head Constables, and other law enforcement officials.

The second day featured an expert session on the Legal Framework of Crime Scene Management, along with sessions on Court Expectations and Case Studies and Core Strategies in Cyber Crime Scene Response, focusing on managing cyber crime scenes in modern digital frontiers.

77th Republic Day of India

NFSU Nagpur proudly celebrated the 77th Republic Day of India, commemorating the spirit of the Constitution and the democratic values that shape our nation. The celebration reflected a deep sense of national pride, unity, and commitment to justice, integrity, and service to the nation—values that resonate strongly with the mission of the National Forensic Sciences University. NFSU Nagpur reaffirms its commitment to upholding constitutional values and strengthening the pillars of justice, security, and forensic excellence.

Shahid Diwas (Martyrs' Day)

NFSU Nagpur observed Shahid Diwas (Martyrs' Day) on 30th January, paying heartfelt tribute to the brave soldiers who sacrificed their lives for the nation and its people.

FEBRUARY, 2026

NFSU Nagpur celebrated Shivaji Maharaj Jayanti with great enthusiasm and patriotic spirit. The students, faculty members, and administrative staff came together to commemorate the birth anniversary of the great Maratha warrior king, who is remembered for his unparalleled bravery, visionary leadership, and unwavering dedication to Swarajya.

Chhatrapati Shivaji Maharaj Jayanti

NFSU Nagpur Students Achievement

National Forensic Sciences University, Nagpur proudly celebrates the outstanding achievement of our student, Ms. Samiksha Ganar, M.Sc. Forensic Science, 1st year for qualifying the UGC NET for Ph.D. This milestone reflects dedication, perseverance, and academic excellence. We extend our heartfelt congratulations and wish continued success in all future endeavors.

National Forensic Sciences University, Nagpur proudly congratulates our talented student, Ms. Hridhya Raghav, M.Sc. Forensic Science, 1st year for securing the Third Position in the Final round of the Inter-Campus Hindi Diwas Competition in the category of Ashu Bhashan (Extempore Speech) held at Gandhinagar Campus.

National Conference on “Opportunities and Challenges in Forensic Sciences (OCFS-2026)”

National Forensic Sciences University, Nagpur Campus organised 1st National Conference from 28th Feb - 2nd March, 2026 on “Opportunities and Challenges in Forensic Sciences (OCFS-2026).

The inaugural event was graced by the Virtual presence of Hon'ble Vice Chancellor, Padma Shri. Dr. J. M. Vyas.

During the inauguration Prof. (Dr). S. O. Junare, Campus Director as well as the Prof. (Dr) Purvi Pokhariyal Campus Director, Delhi Campus, Prof. (Dr.) Satish Kumar, Campus Director, Bhopal Campus, Prof. (Dr.) Manjunath Ghate, Campus Director, Dharwad Campus, Prof. (Dr). Prasenjit Maity, Campus Director, Guwahati Campus were present.

Directors and Dignitaries from various CFSs & FSLs and AIIMS Nagpur were also a part of the inauguration ceremony.

(OCFS-2026)

NFSU Nagpur successfully concluded the National Conference with a valedictory Ceremony on 2nd March, 2026.

Hearty congratulations to the participants who secured 1st, 2nd and 3rd positions in different streams of the conference i.e. Forensic Science, Cybersecurity, Digital Forensics and allied streams in oral and poster presentations. The dedication, perseverance, and commitment to excellence of all have brought great pride and success of the event.

We wish you continued success to all the participants and attendees for their future endeavors.

OCFS-2026 in News

नागपुर में शिक्षित विद्यार्थी बनेंगे देश के लिए वैज्ञानिक आधार स्तंभ

भारत संवाददाता नागपुर, फॉरेंसिक साइंस और क्रिमिनल जस्टिस सिस्टम को समर्पित यह विश्व का पहला विशिष्ट विश्वविद्यालय देश के लिए गव का विषय है। नागपुर जैसे तेज से विकसित हो रहे शहर में इसका परिसर स्थापित होना, महाराष्ट्र और विदर्भ क्षेत्र के लिए एक महत्वपूर्ण अवसर है। यहां से शिक्षित विद्यार्थी भविष्य में स्वयं प्रणाली के वैज्ञानिक आधार स्तंभ बनकर राष्ट्र को सेवा करेंगे। ऐसा नेशनल फॉरेंसिक साइंस यूनिवर्सिटी (एनएफएसयू) के निदेशक प्रोफेसर डॉ. एस. ओ. जुनार ने कहा। यूनिवर्सिटी परिसर में आयोजित राष्ट्रीय सम्मेलन 'ओसीएस-2026' के अवसर पर डॉ. जुनार ने कहा, न्यायवैज्ञानिक विज्ञान के क्षेत्र में अक्सर और चुनौतियों पर केंद्रित तीन दिवसीय राष्ट्रीय सम्मेलन का आयोजन 28 फरवरी से 2 मार्च 2026 तक यूनिवर्सिटी के नागपुर परिसर में किया गया है।

लोकमत समाचार एनएफएसयू के राष्ट्रीय सम्मेलन का उद्घाटन फॉरेंसिक साइंस के 2 नए कोर्स शुरू होंगे : जुनार

नागपुर, ५ मार्च २०२६ कोशल्याचारित शिक्षणार्थी गरज • न्यायवैज्ञानिक क्षेत्रातील संधी आढावावर गंवन 'ओसीएस-२०२६' राष्ट्रीय परिषद स्थळभेटीने परिषदेचा समारोह

भविष्यातील न्यायव्यवस्था वैज्ञानिक स्तंभांवर मथन

'एनएफएसयू'मध्ये न्यायवैज्ञानिक शास्त्रावली राष्ट्रीय परिषद : गुन्हे-आन्वेषणतील अत्याधुनिक आढावांवर सखोल चर्चा

लोकवाणी वार्ता, नागपुर
नेशनल फॉरेंसिक सायन्स यूनिवर्सिटी (एनएफएसयू), नागपुर संकल्पना यतीने 'न्यायवैज्ञानिक शास्त्रावली संधी आणि आढावा (ओसीएस-२०२६)' का विषयवस्तु तीन दिवसीय राष्ट्रीय परिषद परामर्श के बाद संबोधित हुए। डॉ. जुनार पर एनएफएसयू गुवाहाटी परिसर के निदेशक प्रो. प्रसेनजित भेली, एनएफएसयू मीवा परिसर के निदेशक प्रो. सतीश कुमार और एनएफएसयू नागपुर परिसर के सह-आयोजक नीरज सिंह प्रसन्नित थे।

Five-Days Faculty Development Program on Cyber Forensics under the ISEA Phase-III project

NFSU Nagpur inaugurated its Five-Day Faculty Development Program on Cyber Forensics under the ISEA Phase-III project under the Ministry of Electronics and Information Technology (MeitY), Government of India. During the inauguration Dr. Umesh Deshpande, Professor, Department of Computer Science & Engineering, VNIT was present as Chief guest.

The program began with insightful sessions focusing on cyber investigations, digital evidence handling, and emerging trends in cyber forensics.

First day started with foundations of cyber forensics and ended with digital evidence and chain of custody with its documentations.

New Bus at NFSU Nagpur campus

We are pleased to announce the addition of a new bus to the NFSU Nagpur campus. This initiative strengthens our commitment to providing safe, reliable, and efficient transportation facilities for students and staff.
