Dear Sir,

Kindly refer to letter dated 28.10.2024 vide which it was requested to include Undergraduate and Integrated UG-PG offered by National Forensic Science University (NFSU) in the list of approved courses for scholarship under Top Class Education Scheme for SCs.

2. NFSU has been allotted 03 slots for Post-Graduate courses under the scheme. Top Class Education Scheme is a merit based scheme under which scholarship is provided to students based on their ranks in the entrance exam subject to slots allotted to institute. The problem will arise in generation of merit if Undergraduate and Integrated UG-PG courses along with PG courses are included under the scheme as the Entrance Exam for both the courses may be different.

3. However, this issue of addition of multiple courses will be taken up at the time of revision of the scheme in the next financial cycle starting from the year 2026-27.

With regards.

Yours sincerely.
