We have received an overwhelming response from the applications. So, candidates who have applied for the different posts of Scientific Officer / Scientific Assistant / Lab Assistant (purely contractual) requested to come prepared for staying back for one more day. The interview process may continue for the next day too.

The screening test may also be conducted for some posts where we have received a large number of applications. So, candidates may prepare for the same. The syllabus for the screening test will be equivalent to the preceding degree of the respective domain/degree.
