

National Accreditation Board for Testing and Calibration Laboratories

(A Constituent Board of Quality Council of India)

CENTRE OF EXCELLENCE FOR RESEARCH AND ANALYSIS OF NARCOTIC DRUGS & PSYCHOTROPIC SUBSTANCES (COE-NDPS)

We are delighted to announce a significant milestone in our journey towards excellence. Centre of Excellence for Research & Analysis of Narcotic Drugs and Psychotropic Substances (CoE-NDPS) has been officially accredited with ISO 17025: 2017 by the National Accreditation Board for Testing and Calibration Laboratories (NABL). This prestigious recognition is a testament to our unwavering commitment to quality, precision, and integrity in testing of NDPS in seized & nutritional supplements.

NABL accreditation is a globally recognized mark of quality assurance and competence in testing and calibration laboratories. CoE-NDPS after inaugurated by Hon'ble Union Home Minister proudly stands as the first NFSU centre to secure accreditation for both ISO 9001: 2015 & ISO 17025:2017 within just two years of establishment. It signifies that we adhere to the highest standards of technical competence and management systems. This accreditation demonstrates our dedication to providing reliable and accurate results, ensuring the satisfaction and trust.

We owe this remarkable achievement to the relentless dedication and hard work of our team members and esteemed support of NFSU authorities who have consistently strived for excellence in every aspect of testing NDPS. Their commitment to quality, accuracy, and adherence to stringent protocols has been instrumental in securing this prestigious accreditation.

While achieving NABL accreditation is a significant accomplishment, we understand that maintaining these high standards is equally important. We are committed to continuous improvement, investing in state-of-the-art equipment, and staying at the forefront of research advancements.

Together, we will continue to set new benchmarks for excellence in testing and research.
