

# CONGRATULATIONS

**MS. SREELAKSHMI KRISHNA**  
**RESEARCH SCHOLAR**  
NATIONAL FORENSIC SCIENCES UNIVERSITY  
GANDHINAGAR CAMPUS

**"Best Presentation Award"**

The recent **4th International Caparica Conference in Translational Forensics**, held from October 20-24, 2024, at **Lisbon, Portugal**, brought together experts from around the globe to share advancements that merge forensic science with practical applications in the justice system. **Ms Sreelakshmi Krishna**, Research Scholar under **Prof (Dr) Pooja Ahuja, School of Forensic Sciences**, had the honor of presenting her research titled "Study on the Correlation of the Physico-Chemical Properties of Gunshot Residue from a 9x19mm Indian Ammunition" through both oral and poster sessions. The presentation was recognized with the **"BEST PRESENTATION AWARD"**, underscoring its impact on advancing forensic science practices.
