

JOIN MASTER'S DEGREE PROGRAM IN CYBER CRIME LAW AND DIGITAL FORENSICS

Jointly offered by
National Forensic Sciences University and Tashkent State University of Law

About the Program

The Joint Master's Degree Program in Cyber Crime Law and Digital Forensics, offered collaboratively by Tbilisi State University (TSU) and the National Forensic Sciences University (NFSU), is designed to equip students with the essential knowledge and practical skills to address the complex challenges of cybercrime investigation and digital forensic analysis. This interdisciplinary program integrates legal education with advanced forensic methodologies, enabling students to develop a comprehensive understanding of the legal frameworks governing cyber activities, along with the technical proficiency required to analyze and investigate digital evidence effectively.
