Incentives for Interns

Opportunity to get training at one of the best University and will receive an internship certificate on successful completion of the internship period. Those who have performed exceptionally will be given recommendation letter that can be helpful to the interns for their future prospects.

Role and Functions of intern during internship

The interns would carry out research work assigned by the Head of Department on day today/ project basis. Interns are expected to prepare log book of tasks performed and required to submit brief report at the end of internship.

Selection

After careful scrutiny of application, an offline interview will be held by panel. Selected candidates would be notified through email with their terms of reference and joining date. The period of internship would be 6 month which can be extended maximum to another two months.

NDA Clause

The selected candidate will be required to sign a Non-Disclosure Agreement (NDA) to ensure the confidentiality of all work and information encountered during the internship. This agreement is designed to protect sensitive data and proprietary information throughout the duration of the internship.

Call for application: 18 Oct'24
