It is to be noted that:

1. The candidates to be called for interview have been decided on the basis of 5 times the number of posts advertised category wise.
2. All the candidates with marks equal to the last candidate to be called for interview have also been covered category wise .
3. Reservation for physically disabled being horizontal reservation, the physically disabled candidates called for interview as such have been counted in their respective categories.

This short listing is subject to the condition that the candidates fulfill all criteria for the post mentioned in the advertisement. If it is found at the document verification stage that the candidate is not eligible as a candidate for the post, it would not be possible to allow that candidate to be interviewed. The decision of the University in this matter will be final.
