Important Instructions

1. Tie Breaking Rules: If the merit no. is same for more than one candidate.

In case of equal Marks in a Bachelor's Degree, the following tie-breaking rules (as already notified in the policy) will be applied:

A) For UG

The merit will be determined based on the percentage of Class XII.

If the percentages in Class XII are also the same, the percentage of Class X will be considered.

B) For PG Programs

Priority will be given to candidates whose results for the qualifying degree are available.

The merit will be determined based on the percentage. If the result is in CGPA/CPI, it will be converted into a percentage using the respective university's formula.

In case the candidates whose result of the final semester/year has not been declared: the merit in such cases will be based on the cumulative percentage of all semesters/years except the last semester/year.
